

Your Support Is Needed!

The financial impact this crisis is having on the Louisiana-Mississippi Chapter and the ALS community is already being felt. **Your support** can ensure we are able to continue to provide the critical care and support needed to people living with ALS and their families.

COVID-19 IMPACT

362 Our chapter served 362 people in 2019

50% DECREASE

in revenue due to the impact of the COVID-19 crisis (projected)

365 patient visits by 125 patients in our multidisciplinary clinics

365

114

114 pieces of equipment purchased for or loaned to 104 patients through Patient Assistance Grants

UNMET NEED

The COVID-19 crisis has amplified the already **unmet need** in fully serving the ALS community. Your support now can help us ensure that critical support continues to the ALS community and allows us to serve more of the people living with ALS and their families.

	Current Investment	Pre Covid-19 unmet needs		Current needs
Care Services	\$126,000	\$216,000		\$279,000
Clinics	\$ 30,000	\$130,000		\$145,000
Caregiver Support	\$ 25,000	\$281,000		\$293,500
Research & Advocacy	\$ 72,000	\$110,000		\$146,000
Total	\$253,000	\$737,000		\$863,500

YOUR IMPACT

The IMPACT of your support will

- Ensure patients have access to the network of ALS certified treatment centers and clinics.
- Provide caregiver support through patient grants, Family Mental Health Program and Caregiver Labs.
- Support the research and advocacy efforts of The ALS Association.
